Be Part of the Clean Marine Campaign

Calling all fishers, boaters and recreational rivers users – it's time to clean up Perth's waterways with the Clean Marine campaign.

Clean Marine offers information and resources to river and ocean users on the consequences of littering and ways to help clean up the marine environment.

The campaign, a joint initiative between Keep Australia Beautiful WA (KABWA) and other government and community agencies, was triggered by ongoing littering into waterways and the evidence of deaths and injuries suffered by wildlife.

Evidence shows that every year hundreds of thousands of sea birds are found dead or injured as a result of eating or becoming entangled in marine debris. This pollution kills thousands of turtles, dolphins, seals and fish.

Fishing litter such as bait bags and plastic bags, fishing line, hooks, sinkers, food packaging and cigarette butts have the potential, if not disposed of correctly, to cause significant harm to our marine and river environments.

Underwater Explorers Club has joined this campaign to find out more about it follow the link below and check out the newsletter. Keep your eyes open in the coming months for opportunities to participate in club organised clean up events, we need you

Visit www.kabc.wa.gov.au and enter the competition to win great prizes.

Clean Up Australia Day – Dive report

Both the boat dive on Saturday and the shore dive at Ammo Jetty reportedly went very well with plenty of divers around to collect the rubbish. Interesting rubbish at the Ammo Jetty included the usual array of folding chairs - you'd almost think they breed under the jetty! One even had a pair of sunglasses still sitting on them! Well done to Tracy, Pat and their team.

Vale John Bele

Past member John Bele passed away from a massive heart attack on the 17th March his funeral was 24th March in Bunbury.

John was the driving force behind the 1970/80 200 foot dives which some of the older members were involved in. John was methodical and pedantic in his organising and running of these dives which all went like clockwork using "Nancy D" as the main dive boat.

To his credit there were no diving accidents or problems and the experience set many safety standards at the time.

Former UEC President Dave Kenny attended John's funeral and passed on the condolences of the membership.

Interested in a Photographic dive trip on Bali? A message from Anne...

I have scored a job in Exmouth for the Whale Shark Season but had a trip planned to Tulamben with Shannon Conway (the exceptional underwater photographer) I have had this booked for 18 months so rather disappointed to be unable to attend. I have gained a job on one of the Whale Shark Tour boats for the season in Exmouth and finding it extremely hard to get away during the peak of the season.

For those of you who know Shannon he's an awesome photographer and very knowledgeable on the Tulamben area. So I know you will come back with some great photos and some awesome new skills.

Check out the link below and it will give you the details of the tour with Shannon. The tour cost includes the services of both Shannon and Graham, transfers to and from the airport, accommodation and 3 meals per day. Having spotters who know the area and an experienced underwater photographer diving with you each day and assisting with feedback and editing techniques each day and night.

<http://www.divequest.co.uk/holidayDetail.cfm?s=4&HoIID=39>

The tour cost including the upgrade to full board and diving in Tulamben is £1361.00. This would need to be paid to Divequest directly. I would also be offering a discount of \$600 which I would transfer to you after the full amount has been paid to Divequest.

Let me know if you're interested and I will let Divequest know and give you their details. If you could let me know ASAP if you're interested it would be much appreciated as it is only a month away.

If you would like any more info please give me a call on 0467 280 675 or email me on my_200_sx@hotmail.com

Dive for the Earth Day - NARC Dive Club event

Thursday 28th April 2011, we are hosting a shark awareness evening commencing at 1830 and held at Hillarys Yacht Club. - The evening is smart casual, there will be a licensed bar and finger food provided. We have guest speakers, including Australia Director of the Sea Shepherd, Jeff Hansen and Mark Meekan, Senior Researcher for Australian Institute of Marine Science, Fish Division. The evening will be an educational event that will be based on the conservation of sharks, their misunderstood nature and what is actually happening to their population. It will be a very informative evening aimed at making people aware.

The Second series of events are dives with the sharks and rays to get footage of different species in our local waters. This will be for confident divers who are comfortable with the presence of wild sharks and will be looked at on a case by case basis. Some volunteers will not get to dive with the sharks.

The final event is the show case event with a day long underwater clean up of Hillarys Boat Harbour. The aim of this event, as a Project Awareness initiative, is to make people aware of how our human lifestyles affect the marine ecosystems that we use on a regular basis. On the day we will need people to undertake many tasks from diving, counting, sorting, petitioning, fundraising to cooking the BBQ lunch for everyone.

To register for these events, please come down to the shop or send a reply email with your Name, Age, Phone number, how you would like to help and any special skills or equipment that you have and think could help on the day.

Diving Expedition to Ningaloo Station

On behalf of MAAWA, (Maritime Archeology Association), Annie Boyd is organising a June expedition to Ningaloo Station, about 60km north of Coral Bay. The tentative dates are Wednesday 1 June to Sunday 19 June. UEC members interested in having a Ningaloo Reef holiday for all or part of that time would be most welcome to come. Having lost its old fishing shack to a cyclone this year, Ningaloo Station management have set up a new beach camp with stove, pizza oven, fridge, rainwater for drinking, bore-water shower, flushing toilet and beds for about 12. After unusual rains, the country is looking great, and the reef is wonderful as always.

The accommodation cost is \$25 per head per night. BYO food & drink. The camp is in a sanctuary zone but beach fishing is allowed. To express interest, contact Annie as soon as possible. Email diabolo@tpq.com.au or phone 0427 778 281.

This is what you can get diving with UEC...

WOW! We are so lucky to have a world class dive here in Perth. What did you do on the weekend? I went diving with the UEC in a cave full of sharks. Check out my video with music soundtrack. Scared? No. Enthralled and privileged? Yes. Relax and enjoy this short movie of our beautiful underwater world.

Rotto Diving is great!

The editor has been diving both of the last 2 weekends and boy are a lot of you missing out! The water is 22-24C, conditions are calm and there is a lot of life down there at the moment - rampant cuttlefish (is it mating season?), new species of nudis, giant wobbegong...and even plenty of crays still! The weather is still very kind (good so long as you're not a farmer!!) so get on board.

Fishing and Cray-fishing Licenses

As everyone should know, you can't take crays without a recreational cray fishing license and numbers are strictly limited. The same applies to taking fish whilst diving - a recreational boat fishing license is required. If you're fishing for anything from the boat then **you must have your license with you on the boat**. Please remember to bring it with you every time.

New Member Nomination

Michael Snow has nominated for membership of UECWA. If any member has any objections please email membership@uecw.a.com.au.

Evening River Cruise

As part of the current Skippers Training course, Cape Cruiser will be cruising up the river on the evening of Friday 13th May. There are limited spaces on board for any members who would like to enjoy an evening cruise - no charge! Departing from the pen at 6:30pm book on with Mike ... divebookings@uecw.a.com.au

Milestone Dives

We've been lax lately in not recognising milestone dives - your 50th, 100th, 150th 200th or further multiples of 100 dives. We think it's important that diving milestones are acknowledged so if you reach one please email president@uecw.a.com.au and we'd love to present you with a certificate at the next General Meeting.

Rottnest Summer 2012

The best views, wonderful weather and excellent dive sights for the fabulous annual Rottnest holiday in 2012. We're staying in three oceanview chalets in Geordie Bay and you're welcome to come.

UEC Logbooks are here!

The UEC Logbooks are now available for purchase. Packed full of photographs from UEC members, and you can record up to 40 dives per book. All for \$20.

Only occasionally we'll send an extra bulletin out for a special purpose - we think Whale Shark conservation is a pretty special purpose...please support it if you can.

Please accept our invitation to help secure the future of the world's largest fish - the threatened Whale Shark.

A major event on ECOCEAN's 2011 calendar is the OCEANS ALIVE Fundraiser at the Royal Perth Yacht Club on Saturday May 21. In support of ECOCEAN's work, Western Australia's Chief Scientist Lyn Beazley will open the evening; shark expert Brad Norman will give an outline of the current state of play related to the threatened Whale Shark and indicate how this 'fundraiser' will enable the Shark Research Program to move forward in 2011.

We encourage you to come to this event and help work towards the conservation of whale sharks.

The event will include short talks, a gourmet BBQ and drinks, and live music (see <http://oceansalive.wordpress.com/> for more detailed information).

During the evening, we will conduct both a 'silent' and an 'active' auction for more than 40 donated items including:

- Rolex 'Submariner' watch
- Kelly Slater signed surfboard
- John Butler signed Cole Clark guitar
- TUSA dive equipment (full set), dive courses, dive trips

Boat Maintenance - all hands on deck!

Sat 4th - Mon 6th June (long weekend)

Cape Cruiser will be coming out of the water for her winter scrub and anti-foul top up plus some routine maintenance and the fitting of a new sounder. Many hands make light work so please put a morning or afternoon (or two or three) over the weekend into your calendar.

Remember - we're a club and we only get the terrific benefits of diving off Cape Cruiser and all the other things UEC does by the efforts of us all - please help out.

Please let Martin know you're coming along by emailing boat@uecw.a.com.au.

More info coming over the next week or two but **please set some time aside now**.

Dive Schedule - Book now!

Book on with Mike at divebookings@uecw.a.com.au - you'll receive a confirmation email. **Please**

- Signed Sports, Music, Art and Literature memorabilia (Luc Longley, Brian Eno, Tim Winton etc.)
- Whale Shark trips (including accommodation at the Novotel Ningaloo and Sal Salis Safari Camp)

..... and much more.

We would love you and your friends to join us.

When: Saturday 21 May, 2011

Time: 7pm — 11pm

Where: Royal Perth Yacht Club, Australia II Drive, Crawley

Diving Fees Reviewed - effective 1 June

The committee has reviewed the diving fees taking into account the substantial increase in fuel and other running costs. Commencing 1 June fees will be:

\$60 - standard Rottneest double dive trip

\$40 - single dive trip

\$60 - Nomination dive

\$20 - non-diving passenger

It's important that the club remains financially healthy and this review will help to ensure this. We're still less than half the cost of a commercial double dive trip to Rottneest!

Dive Report - Parker Point & The Count

It was a sloppy, slow trip out this morning... not the fault of the boat, just the weather. When we were on calmer waters Cape Cruiser skipped along at a very nice 16kts at 2400rpm. The pre-existing shag pile was very noticeable by its absence. We did first dive at Parker Point Dropoff. Good viz, cold water ... lots of muttering about dry suits from returning divers. I warmed them up with some cuppa soup (took a batch of thermos flasks along for the job and it worked a treat). Three very nice nudis at PPD; Chris happy (actually very happy as it was the first dive for his new camera set up). Second dive a shallow one at The Count ... it's an okay second dive site and the divers managed to do the hour.

Members subscriptions due now

Member subscriptions are now due. Payments can be made by cheque payable to "Underwater Explorers Club of WA" and posted to the club at:

PO Box 382

Melville WA 6956

or by EFT direct to the clubs bank account (preferred):

BSB 066-136

Account no. 90-1972

Subscriptions for 2011/12 are:

Ordinary member \$160

Family member \$220

SYC Social member \$70 per person

Student/Junior/Social/Absentee \$45

(note: SYC membership is compulsory for all diving members - not required for Social or Absentee membership)

Please note: if you receive a membership renewal from SYC please don't pay it - you must pay SYC subs via UECWA so we can track renewals and give you your parking sticker.

Diving Fees Reviewed - effective now

The committee has reviewed the diving fees taking into account the substantial increase in fuel and other running costs. Commencing 1 June fees are:

\$60 - standard Rottnest double dive trip

\$40 - single dive trip

\$60 - Nomination dive

\$20 - non-diving social member/nominee

It's important that the club remains financially healthy and this review will help to ensure this. We're still less than half the cost of a commercial double dive trip to Rottnest!

Are you concerned about Marine Reserves?

Tracy Hagen and Pat Swallow have told members about the proposed Marine Reserves plan and their concerns - we also had a presentation recently from the Conservation Council. If you're concerned and would like to make your voice heard then write - go to the [Save Our Marine Life website](#) to sign the petition and get more information.

Annual General Meeting coming soon

UEC's 2011 Annual General Meeting will be held on Wednesday 20th July at SYC starting at 7:30pm as usual.

Election of the 2011/12 committee and presentation of annual awards is on the agenda.

We're looking for a new Secretary and Treasurer as well as one or two other committee roles. The club will only prosper with a full and vibrant committee - if you'd like to talk about getting involved please call President Bruce Fielding on 0418 912770.

August General Meeting - Report

UEC members and guests took refuge from the Winter cold in the warm environs of SYC. Apparently the lamb shanks are particularly good on a night like this!

This month our guest speaker was Miles Parsons who is a Research Fellow in Marine Science & Technology from Curtin University. Miles gave a fascinating presentation on underwater sounds - fish-made & man-made - so next time you're diving keep your ears open!

Draft Diving Guidelines

There was a vibrant discussion of the draft diving guidelines at the General Meeting tonight. A lot of good constructive comments were made and the Committee will review where we're at and make some recommendations as to the way forward for further club member comment - watch this space!

Thanks to all members for staying up a bit later and contributing to the discussion and thanks to Gino for his hard work and for being prepared to "stick his neck out" to get the discussion going!

Cape to Cape Weekender - last 2 spots up for grabs!

Update on Diving Guidelines

The Committee discussed this last night and has decided to abandon the draft guidelines. This is in no way a reflection on the excellent initiative and work put in by Gino Ferreri and others, but as always the Club will only do what its members want it to do.

The Committee does recognise the importance of clarity in this area and will be going forward along the following lines:

- All comments and discussion has been taken on board
- Committee are not proceeding with proposed draft guidelines
- It is noted that there was a strong view by majority of members re some rules / guidelines are needed
- Proposal – a sub committee be formed to outline rules / guidelines. (full detail re members, etc., to be discussed if this is taken on board)
- It is a requirement for UEC diving members to be a current certified diver in order to join the club
- UEC members are encouraged to always dive in accordance with their certification requirements

It was also noted that there was strong interest in solo diving. At this time UEC does not support solo diving on Club dives but it is clearly a growing area. We're hopefully arranging a guest speaker for the **October General Meeting** to talk on the new Solo Diving certification and the general issues around this. Look out for more details next week.

Christmas Day Orphans Dive & BBQ

It's become something of a tradition - the Christmas Day Orphan's dive & BBQ - and it's on again this year so if you're at a loss for someone to share Christmas morning with or if you'd just like a dive and to catch up with your UEC buddies then come along. Robb' Jetty - bring along something to BBQ or share for breakfast. No bookings necessary but if you want to check details contact Chris at cunnold@inet.net.au

Other festive diving opportunities

Check out the diving schedule opposite - we've got dives listed for 27th and 31st - just need divers!

"First Response" CPR & Oxygen First Aid course

Gary Browne is putting together a group to run this course. Cost will be approx \$100 per person - a cheap price for life-saving knowledge! To register your interest email Gary at safety@uecwa.com.au and he'll confirm date/time.

Easter 2012 Diving at Albany

If you're interested in this then contact Jo NOW and register your interest - she needs to know by the end of the month!

Register your interest now with Jo Bull for an Easter weekend of diving the delights of Albany - would include Two Peoples Bay, King George Sound, the Cheynes and HMAS Perth. Diving cost approximately \$450 - to be confirmed.

Email Jo Bull at joanna_bull@bigpond.com to register your interest.

Merry Christmas and a Happy New Year from UEC

How about you make a New Years resolution to go diving more often!

This will be the last bulletin until after New Year - so make a careful note of when to go diving - or better still, book on now!

***8am departures for all dives now**

Tues 27th Dec - volunteer (but well qualified) crew and skippers choice (after consultation with the divers!)

Sat 31st - same deal! Your very last diving opportunity for 2011...

Sun 8th Jan 2012 - Stragglers Double - Mini Swirl/Murray Chambers
Tom/Kerry/Adrian

*Make sure you check and pack your gear the night before - don't discover you've forgotten something essential as the boat is heading out of the harbour!

Gary Browne is handling dive bookings while Mike is overseas. Same email address - divebookings@uecwa.com.au - you'll receive a confirmation email. **Please make sure you give him your contact no.** If you want to take a risk and try a last minute booking you can call or sms Gary on 0433 489971.

Please note:

- you must be a financial member to dive (before you book on - no paying on the boat)
- dive fees are \$60 per double dive
- if you book on please turn up! The Skipper will make any call on weather on the morning of the dive.
